Media Manager

January 2022 - June 2022 (6 months)

Mumbai, Maharashtra, India

As a media manager, I have had the opportunity to work with a variety of teams and organizations to develop and implement effective media strategies. I have experience managing social media accounts for businesses and organizations, creating and curating content, and analyzing metrics to track the success of my campaigns.

One of my key accomplishments as a media manager was leading a successful social media campaign for our brand. I was able to increase engagement on social media accounts by more than 300% in just three months, and this helped drive significant increases in online traffic.

Overall, my experience as a media manager has given me a strong understanding of the media landscape and the ability to develop and execute effective communication strategies.

Media Intern

July 2021 - December 2021 (6 months)

Mumbai, Maharashtra, India

As a media intern, I have had the opportunity to gain hands-on experience working in the field of media and communications. I have assisted with a variety of tasks, including researching and writing articles, managing social media accounts, and supporting the production of videos and other multimedia content.

One of my key responsibilities as a media intern was to assist with the creation of social media content for a local nonprofit organization. This included brainstorming ideas for posts, writing copy, and scheduling content for publication. I also monitored the organization's social media accounts and provided reports on engagement and other metrics.

In addition to my work with social media, I also had the opportunity to assist with the production of videos for the organization. This included helping with scriptwriting, filming, and editing.

Overall, my experience as a media intern has given me a strong understanding of the media industry and the skills necessary to succeed in this field. It has also provided me with valuable hands-on experience that will be beneficial as I continue my career.

Ministry of Health and Family Welfare, Government of India  
Health Assistant  
July 2020 - December 2020 (6 months)  
Thane, Maharashtra, India

Health assistant during the COVID-19 pandemic, I have been responsible for providing support to individuals and families in need of assistance with their health and well-being. This has included helping with tasks such as scheduling and coordinating appointments with healthcare providers, providing information about COVID-19 prevention and treatment, and assisting with the management of chronic conditions.

I have been to provide support to individuals who are at high risk for severe illness from COVID-19, such as older adults and those with underlying health conditions. This has included assisting with the coordination of telehealth appointments, providing information about resources and services, and offering emotional support and guidance.

In addition to my work with individuals, I have also been involved in community outreach efforts to educate the public about COVID-19 prevention and treatment. This has included participating in virtual informational sessions,

distributing educational materials, and providing guidance to community organizations.

Overall, my experience as a health assistant during the COVID-19 pandemic has been challenging but rewarding. I have had the opportunity to help many people during difficult times, and I have gained valuable knowledge and experience in the field of public health.
