Summary

I am currently enrolled in a Bachelor of Technology (B. Tech) program in Computer Engineering, specializing in Data Analytics and Language Processing. My undergraduate academic experience has equipped me with a comprehensive understanding of fundamental computer science subjects and has allowed me to develop expertise in a diverse range of technical disciplines, including python programming, web development, SQL database management, machine learning, and data analytics.

Education

Pillai College of Engineering

Bachelor of Technology - BTech, Computer Engineering · (2020 - 2024)

New Horizon Public School, Airoli

10th · (April 2018)
