Top Skills

Artificial Intelligence (AI)
Neural Networks
Deep Learning

Certifications

Neural Networks and Deep Learning
Python
Intro to Deep Learning

Yashraj Sinha

Data Science intern @Bharat Intern | Member @Spark Racing Team
| Student at Pillai College of Engineering, New Panvel
Palghar, Maharashtra, India

Summary

I'm a passionate and innovative computer engineer with expertise in Data Analytics, Machine Learning, Neural Networks, and Deep Learning. I thrive on solving complex challenges and believe in data-driven decision-making for better outcomes.

Collaboration is important to me, and I value diverse perspectives to create exceptional solutions. I'm committed to ethical practices, aiming to contribute to a digital world that promotes inclusivity and security. My goal is to drive innovation for a positive impact on society.

Experience

Bharat Intern
Data Science Intern
July 2023 - Present (3 months)

Spark Racing Team
Spark Racing Team
October 2022 - Present (1 year)
Member in Telemetry Department
Currently working on Data Acquisition system and Object Detection model

The Sparks Foundation
Data Science and Business Analytics Intern
November 2022 - December 2022 (2 months)
Built a model for Exploratory Data Analysis on Retail to identify weak areas and a possible solution to increase profit and gains.

AcmeGrade
Data Science trainee
July 2022 - August 2022 (2 months)

Education

Pillai College of Engineering

Bachelor of Technology - BTech, Computer Science
