### Education

---

#### Pillai College of Engineering

Bachelor of Technology, Computer Engineering  
CGPA 8.11

February 2020

#### HSC

Narayana Junior College, Telangana State board  
Percentage 92.2%

January 2020

#### SSC

Lal Bahadur Shastri Vidyalaya, Latur, Maharashtra state board  
Percentage 94.4%

May 2018

### Technical Skills

---

Machine Learning  
Artificial Intelligence  
Python

HTML  
CSS  
Javascript

Software Testing  
SQL  
C/C++

### Work Experience

---

1. Worked as a Software testing Intern at **Tristha Global Pvt. Ltd.**  
Identified, analyzed, and documented programming errors and operational characteristics inconsistent with stated requirements and design specifications. **(May- July 2023)**.
2. Worked as Web developer intern at **LetsGrowMore** also received Letter of Recommendation.  
Completed 4 different tasks such as making a to-do list web app, web application using react app, registration form with data displaying on the same page, sample calculator etc. **(May 2023)**

### Projects

---

#### Machine Learning - Diabetes Prediction

- Various algorithms like K-means, decision tree, SVM were explored
- Higher accuracy was observed in SVM which was used to predict diabetes by analyzing age, blood pressure, BMI, Glucose.

### **Web Designing - (Online Tourism website)**

- Developed an online website where users can register and check various tourism options in an user-friendly way.
- The options included different places to visit, packages etc.

### **Courses and Certifications**

---

- C programming certificate by Spoken Tutorial
- Demystifying Networking course by IIT Bombay NPTEL
- Python programming Course by Kaggle
- Data Structure in C certificate by Great Learning

### **Achievements**

---

- Completed 5 expert levels in classical Tabla instrument (Intermediate in music)
- Awarded the certificate of merit in Maharashtra State BTS exam for Class VI (2014)

### **Hobbies**

---

Playing Tabla, Reading books, listening to music.

### **Soft Skills**

---

Time Management  
Team Work
