		II	9.15		
		III	8.83		
		IV	5.43		
		V	6.23		
		VI	7.50		
02	HSC (2020)	65.85%		New English College	Maharashtra State Board
03	SSC (2018)	83.20%		Gurukul International school	Maharashtra State Board

Technical Skills

C, HTML, Python, CSS, Software Testing.

Project Done

1. Web Designing - (Online Book Review)

- Developed an online website where users can review and check various books in an user-friendly way.
- It often serves to tell readers what to expect from a book so they can decide whether they're interested in reading it. This type of book review gives readers a preview of a book's content, themes, and storyline.
- In this website the user can review and choose a variety of genres according to their preference.

2. Machine Learning - Diabetes Prediction

- Various algorithms like K-means, decision tree, SVM were explored
- Higher accuracy was observed in SVM which was used to predict diabetes by analysing age, blood pressure, BMI, Glucose.

3. Teams meeting summarization website using Pegasus model of Hugging Face

Certificates

Introduction to c - IIT Bombay

Python - Kaggle

Data Structure in C - Great Learning

Demystifying Networking course - IIT Bombay

Deep Blue Project competition - Mastek

Internship Done

- Worked as Web developer intern at **LetsGrowMore** also received Letter of Recommendation. Completed 4 different tasks such as making a to-do list web app, web application using react app, registration form with data displaying on the same page, sample calculator etc. **(May 2023)**
